Gets State Convention.

The Republican state committee met in Kansas City last week and selected that city for the holding of the state convention, to elect delegates-at-large to the national convention, and fixed the date for May 5. The basis of representation in the county will be one delegate for each 250 votes cast for the elector-at-large receiving the highest vote in 1916.

The delegates are to be chosen at either delegate conventions, mass meetings or primary elections as the respective counties only decide, to be held not later than April 29, and upon seven days' notice.

Get Their Division Medals.

Carl Bose, of Company M, and John Burger, of Company E, and Fred Waggoner, of Headquarters Company, all of the 351st Infantry of the 88th Division, A. E. F., are now raring back, stepping high, full regulation stride, with heads up, because—well, they have just received their division medals.

These are the division commander, General Wm. Weigel. The medals are in bronze, in the form of their division insignia, the medals being stamped upon them the figure of a soldier, and on the reverse is the number of the division and years of service. Gee, they are proud, and why shouldn't they be—evidence of their having made good soldiers.
